

BUILDING STRONG FOUNDATIONS

Equipping you to stand firm in the storms of life

WHO ARE WE?

Building Strong Foundations Trust (BSF) is a registered charity currently operating with three unpaid part-time staff and a number of volunteers. We are looking to employ our staff at this time to enable them to continue in their roles long-term. We are governed by a Board of Trustees that provide oversight to the ministry of BSF.

We are intentional about building up the body of Christ by providing courses that disciple and strengthen people for the long-haul journey of becoming more like Jesus, being equipped to stand firm, endure, and persevere in life's storms.

We partner with churches and the BSF Trust relies on donations and grants to operate.
